Now Accepting Applications for Homeownership!

The Sargeant-Goodrich family has withdrawn from the Homeownership Program as they will be taking advantage of an incredible opportunity to move out of New England and to warmer climes.

In the Spring, we will build the 3-bedroom Lebanon home as-designed and are **now accepting applications for homeownership** to select a new partner family for this home.

While it is bittersweet to be losing Shannon and her boys, we are thrilled for them and the adventure they have ahead and we look forward to having the chance to partner with an equally wonderful family and build a comfortable and affordable home with them.

This 3-bedroom house is ideal for a family of 3-4 and applicants must have (among other eligibility criteria) **income ranging between 60% - 80% HUD County Median Family Income** for Grafton County (the community the family will be living in), adjusted for the size of the family.

For a family of 3 in Grafton County, this is between \$47,520 - \$63,400 gross income annually. For a family of 4, this is between \$52,800 - \$70,400 gross income annually.

The application and all information about the house, eligibility information, and homeownership process can be found [on our website](#).

Applications are due by Friday, April 1, 2022.
