

Our Annual Campaign is On - Donate Now!

We are hiring for a part time bookkeeper! [Learn more and apply here.](#)
Application deadline: January 13, 2020

Thank you to our outgoing bookkeeper, Ann Marie Boyd!

Ann Marie Boyd has been our bookkeeper through many transitions and office moves (from a closet-sized space in the Hotel Coolidge, a tiny office in the next building over, to our current office down the hall in the Gates Briggs Building). In total, she has provided us with excellent bookkeeping services for 12 years. Her institutional knowledge and expertise has kept us on track and organized through the evolution of our organization.

Ann Marie, thank you for your years of service with us. We wish you all the best in your next chapter!

FaLaLa Holiday Revue Recap

December 5th was a wonderful show in support of our upcoming Lebanon Duplex project.

Thank you to everyone who helped make it possible, including our performers (Dancers' Corner, Valley Chords, Raq-On Dance, and Valley Improv), George Woodard, Horseless Headsman, our sponsors (White River Toyota, Mascoma Bank, Bar Harbor Bank & Trust, and Roger Clarkson Realtors), Gene Soboleski of BigZig Photography, the White River Junction United Methodist Church for providing refreshments, and our volunteers and guests.

An extra special thank you goes to Director Neal Cronic, who volunteered his time and talents to put together this wonderful show after being inspired by [the Hammond Family video](#). We could not have done the Revue without all his dedication and help. Thank you, Neal!

There's Still Time - Please Donate Today!

**Your support builds
homes, hope, and
stronger communities.**

**Want to shop AND donate at the same time?
AmazonSmile is for you!**

When you shop through AmazonSmile,
Habitat receives a donation!

1. Start your Amazon shopping at <https://smile.amazon.com/>
2. Select Upper Valley Habitat for Humanity as your charity
3. Shop away!

0.5% of all eligible Amazon purchases will be donated to us as long as you start your shopping at [AmazonSmile!](#)
