## UVHFH Selected for Common Cents Donations in August!

---

Upper Valley Habitat has been selected for the Common Cents program at the Upper Valley Food Co-Op in August!

The Common Cents Community Contribution Program allows customers the option to add a donation or round up at the register. Each month, 25% of donations go to the Vermont Foodbank; 25% go to The Upper Valley Haven; and 50% goes to a different "feature" organization whose mission also aligns with that of the Co-Op.

In August, UVHFH will receive 50% of the donation! So, please save up all your shopping for August and support both the Upper Valley Food Co-Op and Upper Valley Habitat!

The funds UVHFH receives from this fundraiser will go towards The Sargeant-Goodrich home in Lebanon.

Thank you, Upper Valley Food Co-Op and shoppers for this opportunity!

---

## Mascoma Bank Awards UVHFH \$1,000!

Mascoma Bank has awarded Upper Valley Habitat \$1,000 for completing their online needs assessment. Organizations that took the assessment were entered in a drawing to receive one of five \$1,000 donations. We were one of the lucky 5!

Thank you, Mascoma Bank, for your support of our community and our organization!
