Intro to Carpentry Workshop

When: Friday, October 29th & Saturday, October 30th from 9am - 3pm

Where: Wilder, VT

What: In this free workshop, participants will be introduced to basic carpentry skills by completing a shed for a local homeowner. This workshop will cover how to safely use basic power and hand tools; pneumatic nailers; screwguns; and what fasteners to use and how to

use them. We will cover construction of floor systems, walls, and roofs, and siding, roofing, window, and door installation.

Details: Space for 4 participants on a first come, first served sign-up basis.

Come Join our Board of Directors!

We are currently recruiting volunteers to serve on our Board of Directors.

Specifically, we are seeking individuals with experience and skills in the following fields:

- Real estate
- Banking
- Law
- Human Resources
- Fundraising
- Information Technology

We are also recruiting for a Building Committee Chairperson and Human Resources Chairperson.

You can read all the details, including a full description of the Board of Director's responsibilities and expectations [on our website](#).

Mascoma Bank Donation Committee Grants Tool & Laptop Support

We are thrilled to announce that the Mascoma Bank Donation Committee has awarded us a \$4,397 grant for build site tools and a laptop for our Project Manager.

This laptop is allowing John to work remotely and on-site more effectively, and we are very excited to purchase more scaffolding and ladders, which will be especially critical when we start building a new home in the Spring.

Thank you, Mascoma Bank Donation Committee, for your generous support!
