Celebrating the Hammond Family

On Saturday, February 22nd we celebrated home ownership with our most recent partner family, the Hammond's, who closed on their Lebanon home last month.

Eric and his two children, Shea and Evan, moved into the home before Thanksgiving 2018 so they were able to celebrate the holidays in their new space. The family had been living with Eric's parents prior to this, which was a cramped situation.

Shea and Evan were thrilled to be able to pick the paint colors for their own rooms and are thriving in their new schools. The family is delighted to share their new home with puppy Luka, who was gifted by a friend.

Eric, who has been employed with Enterprise Rent-A-Car for almost 7 years, is an active advocate for Habitat and is already helping spread the word about the work we do. We are grateful to have such a wonderful new partner family on board, and wish them all the happiness and success in their new home!
