Welcoming Volunteers to Join our Family Committee!

Seeking
Family Committee
Volunteers

We are looking for 1 or 2 members to join our volunteer Family Committee. This small but critical group is responsible for family selection and support, and each committee member also has the opportunity to be a Support Partner for families and individuals who take the journey to homeownership.

[Click here for details on this opportunity with the Family Committee](#)

Thank you, Nutt Lane Mowers & Chainsawers!

In the past, we hired a landscaper to maintain our lot in White River Junction. This year, we were very fortunate to have a crew of volunteers

taking good care of the property on a regular basis.

These volunteers helped from Spring through Fall by mowing the grass and cutting and removing downed tree limbs. It was a great comfort knowing they were keeping an eye out on the property and communicating with each other about the mowing schedule.

Thank you to the incredible landscaping volunteers this season!

(in order of seasonal appearance):

Bob Danielson & John Tietjen mowed in the spring & summer;
Sean Judge, Adriana Lucas & Catherine Chivers removed fallen limbs &
Tom Kahl & the Upper Valley Rugby Football Club mowed in the fall.

Thank You!

Claremont Lead Removal Grant Applications Due Nov. 1

There is still time to apply for the Claremont Lead Removal Grants Program that we announced in late September!

Do you own a home in Claremont that may have lead? Want to get the lead out? We encourage you to apply for our Lead Removal Program!

Priority will be given to families with children who are living in buildings with confirmed or suspected lead.

Love What Habitat Volunteers do in our Community?

[Donate Now!](#)

Your donation directly helps Upper Valley Habitat carry out our mission to build safe, healthy, and energy-efficient homes; strengthen and enrich communities; and increase long-term hope, prosperity, health, and the lives of families and individuals in the Upper Valley of Vermont and New Hampshire through the stability of affordable home ownership.

This fall, this takes the form of renovating an existing home in Lebanon for the Chin Family and dedicating \$30,000 towards lead removal in Claremont.

Thank you for your support!

Eva Johnson

Eva Loomis, Executive Director
